RE: Tragedy Strikes the Norwell Family

Norwell High School and the entire Northern Wells Community Schools Family mourn the death of two of its students in a tragic automobile accident on Tuesday, October 14, 2014. Our thoughts and prayers go to out to the family of Johnny Kidwell and James McCune as we join them in grieving for their tremendous loss.

The days ahead will be difficult as the impact of Johnny and James passing sinks into reality. Northern Wells asks that you keep these families in your prayers as well as the other two former students involved, their families, and everyone else impacted by this horrible and untimely event.

Local clergy and grief counselors have been called in to provide support for the students and staff at Norwell High School, Wells County Alternative School, and Norwell Middle School. Parents are encouraged to contact the school if they feel their child(ren) need for a counselor to speak with them.

Respectfully submitted,  
Scott A. Mills  
Superintendent
